○ **Nieuwe maan**

LET OP: Deze getijdentafels (kenteringen t.o.v. Zierikzee) zijn overgenomen van Rijkswaterstaat, dienst Hydro Meteo en geven kenteringen weer, welke gelden voor de vaargeul. De uitkomst na gebruik van de herleidingstabel geeft een indicatie voor de kentering, maar is niet exact. De herleidingstabel is afgeleid van sportduiker ervaringen. Getijden laten zich ook beïnvloeden door weersomstandigheden. Eigen waarnemingen voor de duik zijn van belang. Een goede duikopleiding waaronder de Specialty stromingsduiken is aan te raden. Gebruik deze tabel alleen, als je weet hoe deze functioneert. Voor de gevolgen van afwijkingen in deze tabel aanvaardt Duikcentrum de Grevelingen geen aansprakelijkheid

# HOME AND DRY

Winter diving can reward you with great visibility, beautiful seascapes and more adventure. It's worth braving the weather to get out there, and the right equipment is essential to ensure a comfortable dive.

With our BIOMAP® service you can get a tailor made Argonaut drysuit delivered to your door completely contact-free.
